RC Kantipur: 20 November, 2021: Kirtipur City Heritage walk. A much awaited program concluded today amid a good participation by club members.

The devastating landslides and flood that struck the Sindhupalchowk district 30KM east of Kathmandu have caused an inconceivable loss of lives and properties, as an immediate response Rotary club of Kantipur and Innerwheel Club of Kantipur worked together by preparing an indicative list of priority items: Blankets, cooking utensils dekchi, karai, dadu & paneu, steel plates, bucket, mug, potable water filter, corrugated metal sheets, personal hygiene packet consisting of soap, tooth brush/paste, sanitary pads, detergent powder. The relief materials left Kathmandu on 6th July and due to road conditions managed to reach the distribution site only after two days. However One hundred (100) families in Shera Village Chanaute, Helambu Rural Municipality- 11 received the relief materials on 8th July, 2021. Thanks to all club members for their generous contribution.
